To: All Acute Care Hospitals and Psychiatric Facilities

This technical bulletin is to notify healthcare facilities of minor changes to the form for *Application, Medical Clearance, and Certification for Emergency Admission of an Allegedly Mentally Ill Person to a Mental Health Facility*. The updated version is dated 4/23/18 in the footer of the form.

Similarities to prior forms:

- Statutory definition of mental illness (NRS 433A.115)
- Indication the individual is mentally ill and danger to self and/or others
- Check box for circumstances and written description of behaviors
- Authorized person’s signature
- Reference to medical screening prior to admission (NRS 433A.165)
- Name/signature of person performing the medical examination
- Certification the individual meets (NRS 433A.115)
- Certification to release/discharge the individual
- Name/signature of person authorizing release/discharge

Changes found in the new form:

- Further detail in the persons authorized to sign certain areas of forms (e.g., APRN with psychiatric training)
