N = denominator

n = numerator

N/A = the provider did not submit any data

D/E = the provider reported 0 records reviewed

\* The state and national roll-up for the All-EDTC sub-measure is not inclusive of every reporting CAH, as some CAHs did not report this data element.

\*\* The 90th percentile is the level of performance needed to be in the top 10% of CAHs for a given measure (i.e. 10% of CAHs perform at or better than the 90th percentile)
